**ORDER:**

1. In the GO second read above, the Government has established a Standing Expert Committee for the preparation of Essential Medicines List (EML). The Expert Committee, chaired by the Director of Medical Education, has carefully reviewed the burden of various diseases in the state; existing protocols for treatments of various diseases; the medicines required for the management of emergency medical problems and life saving treatment; and cost-effectiveness and efficacy of various medicines available in the market. The committee has also reviewed the concepts of Essential Medicines as enunciated by the World Health Organisation (WHO), the National Essential Medicines list of 2003, and the EML of different states and also held extensive consultations with pharmacologists, clinicians, super-specialists, etc. Based on comprehensive exercise, the Expert Committee has recommended a list of “Essential Medicines” that satisfy the medical and surgical care needs of the majority of the population that are safe, effective and to be made available in adequate quantity, dosage, form and fair price, for use by all Government Hospitals, Health Facilities and allied health institutions.

2. The Government, after careful review of the report of the Expert Committee, have accepted the recommendations of the Committee and hereby order that all Hospitals, Health Facilities, and other health institutions under the control of Health, Medical and Family Welfare Department, and the programmes assisted by the Government of Andhra Pradesh (HMRI and EMRI etc.) shall use only those Medicines listed in the ‘Essential Medicines List 2010’ (EML 2010), which is attached herewith as Annexure –I to this Order. In addition, to address the specific requirements of the advanced specialist and the super-specialist care, the Government also approves the ‘Additional Medicines List’ 2010 (AML 2010), which is enclosed herewith as Annexure-II of this Order.

/p/t/o/

3. The medicines included in the EML2010 have been selected through an evidence based process with due regard to relevance, quality, safety, efficacy and comparative cost-effectiveness. These medicines will be made available at all health facilities under the control of the Health, Medical and Family Welfare Department. Supply of medicines to the primary health centres (PHCs), Urban Health Centres (UHCs) and other primary health facilities shall be limited those listed as 'Universal' (U) in the EML 2010. Whereas, the tertiary hospitals (teaching, district and super-speciality hospitals) will have access to all drugs included in the EML 2010. The secondary health facilities (CHCs, Area Hospitals and Urban Dispensaries) shall utilise those medicines listed as Universal (U) and Secondary (S). The medicines included in AML 2010 will be for the exclusive use of super-speciality and advanced speciality institutions. The medicines supplied under the National Disease Control Programmes, like RNTCP, NLEP, etc., shall be available to all health facilities in the state.

4. The Managing Director of Andhra Pradesh Health, Medical and Housing Infrastructure Development Corporation (APMHIDC) and all Heads of the Departments under the overall charge of Health, Medical and Family Welfare Department shall henceforth procure, store and dispense only those medicines included in the EML 2010 / AML 2010, based on the need. All medicines included in the lists contain International Non-proprietary Names (INN) or Generic Names. The medicines included in the list shall be procured in their generic form, strictly adhering to the Pharmacopeia standards, Route of Administration, Unit Pack, Strength and Specifications mentioned in this order.

5. All Heads of Department are requested to issue detailed instructions to all facilities and functionaries under their control regarding rational and effective use of medicines included in the EML and AML. The MD of APMHIDC shall publish and distribute copies of the EML and AML to all health facilities and disseminate information regarding their use amongst all health functionaries of the state. The Commissioner of Health and Family Welfare shall organise workshops for all medical professionals of the Health, Medical and Family Welfare Department regarding the rational use of medicines and strict adherence to the use of medicines listed in this Order.

6. By implementing the essential medicines concept, the Government of Andhra Pradesh expects to improve the efficiency of drug management in all health facilities. In this direction, the Government instructs all HODs to ensure strict compliance with the Government Orders issued in G.O.Ms No. 1357 HM&FW Department dated 19 October 2009. All measures shall be taken by all HODs to ensure that:

- (i) All essential drugs shall be available at all health facilities in the state at all times of the year.
- (ii) Stocks required for atleast three months should be maintained at all times.
- (iii) Every effort shall be made to completely eliminate expired drugs, drug wastage, pilferage and stock-outs.

Contd....3.

- (iv) High standards of quality control and quality assurance measures shall be maintained and monitored.

- (v) All drugs in the EML and AML shall be purchased only from pharmaceutical companies who follow good manufacturing practices (GMP) stipulated by the drugs control authorities and APHMHIDC, in Generic form, and custom packed in strips and blister packets for Government of AP duly following the instructions in the reference second cited.
- (vi) No doctor of the HM&FW Department shall procure, prescribe, dispense, or recommend any medicine that is not included in the EML / AML without prior approval of the Government. Any violation of these instructions shall attract disciplinary action.

7. The Managing Director of Andhra Pradesh Health & Medical Housing & Infrastructure Development Corporation and other Heads of Department shall procure only those medicines included in the AML / EML list duly following the procedure laid down in the first reference cited in this order. All hospitals under other departments of Government of Andhra Pradesh and the private sector hospitals, especially those included in Rajiv Arogya Sri Network, are also strongly encouraged to use the medicines notified in this Order.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
