

11/10/85/09
GOVERNMENT OF ANDHRA PRADESH
GENERAL ADMINISTRATION (OP.II) DEPARTMENT

Circular Memo. No.119020/OP.II/2004-1.

Dated: 05-10-2004.

Sub:- Govt. Vehicles – Condemnation of Old Vehicles – Further Instructions – Issued.

Ref:- 1. G.O.Ms.No.333, G.A.(OP.II) Dept., dt: 31.7.97.
2. Memo.No. 19026/OP.II/A1/2001, G.A.(OP.II) Dept., Dated:7.7.2001.

It is noticed that some of the vehicles are lying idle in the premises of Govt. Offices which are not road worthy. It is informed that Govt. have already issued certain guidelines for condemnation of vehicles vide reference 1st to 2nd cited.

The Govt. hereby again reiterate the following instructions issued in the reference 1st cited, for condemnation of old vehicles which are not road worthy.

- i) The existing running period of the vehicles which is 10 years old and 1,50,000 k.Ms., run will be raised to 15 years and 2,50,000 K.Ms., run respectively.
- ii) After this period or usage, the vehicle will be deemed to have become unserviceable and fit for condemnation. Accordingly, it will be disposed off by the user Department through public auction and no formal condemnation order will be required from any authority / Department of an agency to dispose of such vehicles. Hence, the existing system of condemning the vehicles and getting the approval thereof is hereby abolished. The vehicles after completion of 15 years and 2,50,000 K.Ms run would be straight away put to the public auction by the user Departments by giving due publicity. The upset price of such vehicles will be fixed at 10% of the original cost of the vehicle without seeking any valuation certificate from any Department or Authority.
- iii) The auction will be held twice in a year i.e. August and February in the RTA office at Head Quarters as well as in the Districts. It will be the responsibility of the user Departments to get these vehicles auctioned and no permission of the Govt. or any other Authority is required for auction or disposal of such vehicles.
- iv) The existing vehicles if any available with the Genl.Supt., PW Workshop for which permission has been requested from the Govt. will be straightaway put to auction on "as-is-where-is" condition by giving due publicity by the General Supt., PW workshop, in the second week of February / August by following the above mentioned procedure.
- v) Subsequently, the auction will be regularly held in the Dist. as well as in the State Head quarters in the RTA offices and the vehicles after completion of the utility period will be sold in these auctions.
- vi) The concerned user office/officer will take necessary action to see that the auction is conducted in a transparent manner by giving due publicity in the local news paper.

(P.T.O.)

The Government hereby reiterate the further instructions issued in Govt. Memo. No. 19026/OP.II/2001, Dt.7.7.2001, that for any relaxation of the above rule, the approval of the concerned departmental Minister is enough and the connected file need not be circulated to Hon'ble Chief Minister.

All the Heads of Departments and District Collectors are requested to take further necessary action for early disposal of the idle vehicles which are not road worthy and lying in the premises of the Govt. offices duly following the procedure specified in the said G.Os.
