In the reference 2<sup>nd</sup> read above, the Ministry of Tribal Affairs, Government of India, New Delhi, has informed that Tribal Research Institutes (TRIs) have been constituted with support from the Union Government for research and documentation on Socio -Cultural and linguistic aspects of tribal life. Over the years, many such institutions have become weak. Posts are not being filled up. While funds released by the Union Government for the TRIs, State release is delayed due to numerous factors. Sometimes, when a project is approved by them, it needs further approval of the State Government, which appears redundant because the project has been sanctioned in consultation with the State Government. These aspects require urgent attention. Further he has informed that the Hon'ble Prime Minister himself has observed that the "Tribal Research Institutes to have larger role in policy making pertaining to STs. Policy inputs to be collected and TRIs to be developed into top - class research centres."

2. In the reference 3<sup>rd</sup> read above, the Joint Secretary to Government of India, Ministry of Tribal Affairs has requested to plan to establish TRI with the points mentioned by the Government of India in the reference 1<sup>st</sup> read above and make it a Registered Society so that funds can be released directly and approval process of projects can be expedited. He has also requested to furnish the action taken in this regard to their Ministry.

3. In view of the above, the Director of Tribal Welfare, A.P., Hyderabad in the reference 5<sup>th</sup> read above has furnished the following proposal for restructuring the existing TRI:-

**Back Ground:-**

4. In view of the recommendations of the SC and ST Commission, Government of India and the Commission for Sch. Areas and Sch. Tribes (Dhebar Commission), TCR&TI was established at Hyderabad during 1962-63 in the reference 1<sup>st</sup> read above .

P.T.O.,

:2:

5. It has been functioning as a prestigious institute since then with the following key activities Viz., Conducting ethnographic studies on tribes of AP. Periodically, Carrying out Socio-economic and bench-mark surveys, Formulating perspective plans for ITDAs and PVTGs, Assessing the impact of plan programs to know their functional efficiency, implementation process and suggest mid course corrections or changes in policy and approvals, Imparting orientation trainings to officials and non-officials engaged in tribal development, Organizing training to tribal leaders to create awareness about protection and development of tribals, Organizing employment orientation training to educated tribal youth, Studying the claims of various castes/communities for inclusion in the list of Sch. Tribes, Conducting pre-admission and pre-appointment scrutiny of S.T certificates of candidates under ST quota, Building repositories of data on tribals and tribal welfare and artifacts of tribes of AP by establishing Library, Museum and data bank, Monitoring the progress of implementation of various tribal development activities and protective regulations in Scheduled Areas, Conducting State and National Seminars/Workshops on issues relating to tribal development.

#### **Status of TCR & TI after Re-Organization of the State**

8. As per the State Reorganization, TCR&TI is one of the X schedule Institutions and it was bifurcated into two Institutes (GO.Ms.No.58, TW (TW.Ser.III) Dept., dated: 31-5-14). The Museum and the library have gone to Telangana as they are located in Hyderabad. Both the Institutes have started functioning from 15-8-14 onwards. (26) Staff were ordered to serve Telangana and the actual staff bifurcation is yet to take to place and (97) Posts are provisionally allotted to A.P., as per the ratio of 58:42. The details are given Annexure -I.

P.T.O.,

## **THE NEED TO RESTRUCTURE TCR&TI IN ANDHRA PRADESH STATE**

9. Due to multifarious reasons, the TCR&TI, A.P once the topmost Institute in the country has become less active and less vibrant now. Hence there is an urgent need to rejuvenate the Institute as a vibrant TRI would enable the Tribal Welfare Department and thereby the Government in ensuring the constitutional safeguards are effectively implemented besides guiding the Government in proper planning of tribal welfare activities through constant research and evaluation.

10. Therefore, the Director of Tribal Welfare A.P., Hyderabad has proposed to restructure existing TRI into two (2) units:

**a) An Administrative Unit** with planning and protective regulatory functions and this unit to be attached to the office of Director, Tribal Welfare. This unit shall function under the control of Director, Tribal Welfare and assist her in the following functions:

Since this requires functioning with required autonomy, it is proposed to set up a Society and to allow the same to function in a mission mode.

- The Research and Training unit will be set up as an autonomous society.
  - It is proposed to be designated as **TRIBAL CULTURAL RESEARCH AND TRAINING MISSION (TCR&TM)**
  - The Mission shall be set up as a Society under the Societies Act, 1964 and the Chairman of the Mission shall be the Principal Secretary to Government, Tribal Welfare and Director, Tribal Welfare shall be the vice chairman and the present post of DTRI shall be re-designated as Mission Director/Secretary-cum-Treasurer of the Society.
- **The Mission shall have the following functions:**
- i) Research Functions:**
- Ethnographic Surveys
  - Action Research
  - Concurrent Evaluation

## **ii) Promotion of Tribal Culture**

- Managing AlluriSeetharamaRaju Tribal Museum and documentation center
  - Artifacts gallery
  - Habitats gallery
  - Occupational gallery
  - Fairs and Festivals gallery
  - Audio Visual division
  - Tribal medicines
  - Library and documentation center

## **iii) Training**

- Employment oriented training to educated tribal youth.

In view of the above, in order to make the TRI vibrant and pro-active for safeguarding the rights and interests of Scheduled Tribes in Andhra Pradesh, Government after careful examination of the proposal, hereby accord administrative sanction for restructuring the TCR & TI into two(2) Units viz., (1) Administrative Unit and (2) Research & Training Unit in the form of Tribal Cultural Research and Training Mission (TCR & TM) as envisaged above and for redistributing the existing (97) sanction posts of TRI of AP among these (2) Units as detailed in Annexure –II, & III.
